

Unity Strength at Your Side

## Filled With Love

## A special keepsake to remember those you hold dear

Crafted from a loved one's article of clothing, Unity's talented volunteers transform fabric into a cherished teddy bear or pillow. Fee covers the cost of materials as well as enables Unity to provide compassionate grief support in the community.

Filled With Love is a program offered exclusively to Unity patients and families. Teddy bears are approximately 18" tall while pillows are typically 12" x 12". Order fulfillment is 3-6 months. You will be notified via telephone when your order is complete. Orders may be dropped off and picked up at Unity Hospice, 2366 Oak Ridge Circle in De Pere, WI. If return shipping is preferred, a shipping fee will be added.

Typically, one adult sized shirt or pants is used to make one teddy bear or pillow. Unity volunteers will use their skills to design the teddy bear or pillow. Special design requests cannot be accepted. Acceptable fabrics include: cotton/cotton blends, flannel, fleece, and corduroy. We regret that we are unable to utilize extremely worn items as well as the following: denim, bedspreads, down-filled fabric, chenille blankets, fur (real or faux), plastic coated items, sweaters, leather, thin/sheer fabrics, thick fabrics, wedding or bridesmaid dresses, heavily beaded or sequined fabrics, jackets, and undergarments. All clothing items must be freshly laundered. Any unused fabric will be returned to you when your order is complete.
