Dementia Training

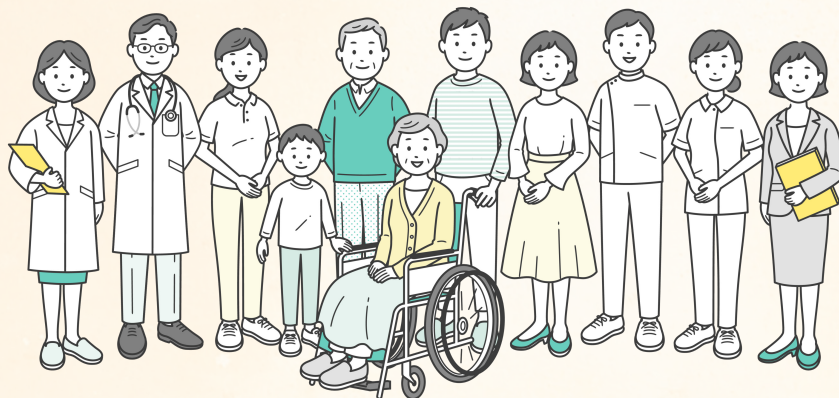

We would love to know if you would be interested in participating in Purple Angel Training! This specialized training focuses on understanding dementia and learning how to best interact with and support individuals living with dementia.

We are planning to enjoy breakfast together at a nearby restaurant while completing the training! Everyone is welcome to grab breakfast, but please note that each person will be responsible for purchasing their own meal followed by a tour of Yesteryear Village. It will be a great opportunity to learn, connect with others, and gain valuable skills you can use when supporting our patients and families.

If you are interested in participating, please take a moment to complete the survey below. Your response will help us determine interest and plan the training.

We hope you'll consider joining us!

Help Us Grow Our Volunteer Family!

Do you know someone who has a compassionate heart and would make a wonderful Unity volunteer? We'd love for you to help us spread the word!

We're excited to introduce our Volunteer Referral Program!

Here's how it works:

- **Refer a friend, family member, coworker, or neighbor to become a Unity Hospice volunteer.**
- **For each referral who successfully starts as a volunteer, you'll earn an entry into our Grand Prize Drawing at the end of the year.**
- **Make sure to have prospective volunteer mention you by name during onboarding.**

Grand Prize: One lucky volunteer will receive a special end-of-year reward as our way of saying thank you for helping us grow our incredible volunteer team.

There is no greater compliment than recommending someone to join Unity's volunteer program. If you know someone who would enjoy making a meaningful difference, encourage them to reach out!

For questions or to refer someone, please contact the Volunteer Services team. We can't wait to welcome more amazing volunteers to the Unity Hospice family!
